Supplies:

- Flower Garden Stamp Set (Stampin' Up!)
- Oriental Brushstrokes Stamp Set (Stampin' Up!)
- All I Have Seen Stamp Set (Stampin' Up!)
- Manila scrapbook paint (Making Memories)
- Noir Black Palette Hybrid ink pad (Stewart Superior)
- Black card stock
- Bright Magenta card stock
- CD
- Single Microscope slide Holder (Paper Therapy)
- Silver metallic Ribbon ¼" (really reasonable Ribbon)
- Silver leafing Pen (Krylon)
- Twinkling H₂O's (LuminArte)
 - Black Cherry
 - Sunburst
 - Mustard Green
 - Gold Dust
 - Orange Peel
 - Pink Azalea
 - Moss Green
 - Garnet
 - Yellow Rose
- Aqua flow water brush (TAC)
- Monoadhesive (Tombow)
- Book Binding adhesive (Club Scrap)

Instructions:

1. Cut Black Card stock 5 ¾" x 5 ¾" - fold in half.
2. Cut 2 pieces bright Magenta Card stock to 5" x 5".
3. Stamp Magenta card stock as seen in sample with Noir Black ink. Tape inside of card and set aside.
4. Paint CD and microscope slide holder with a coat of Manila scrapbook paint - let dry thoroughly. Paint over CD and microscope slide holder with a coat of the Black cherry Twinkling H₂O's. Let dry.

5. Using Black Noir ink, stamp rose image on left side of slide holder and image from Oriental brush strokes on right side. Paint images with Twinkling H₂O's using fine tip aqua flow water brush.
6. Using the silver leafing pen draw a line around the CD and the outside of slide holder (as on example).
7. Tie silver metallic Ribbon around slide holder. Glue slide holder to CD and CD to black card stock centering it.
