1. Use Light Pink cardstock as the base for each page. Cut two pieces of Black cardstock 2 ½” x 12”, one piece of Black cardstock 8 ¾” x 1 ¼” and six pieces of Dark Pink cardstock ¼” x 12”.
2. Adhere one ¼” strip of Dark Pink cardstock approximately 1/8” in from the edge of a piece of Light Pink cardstock followed by one 2 ½” x 12” strip of Black cardstock, then another ¼” strip of Dark Pink cardstock; repeat on opposite page.
3. Adhere one ¼” strip of Dark Pink cardstock approximately 1/3” in from the top edge of the right-hand page, followed by the 8 ¾” x 1 ¼” piece of Black cardstock, then another ¼” strip of Dark Pink cardstock; trim at the right-hand edge flush with the base page. Add Alphabet Stickers to spell the title “Anniversary” followed by a small, silver bow.
4. Using Black Archival Ink, stamp “Couple” image stamp six times onto White cardstock. Add coordinating colored Chalks/Pastels. “Set” the pastels using Fixatif spray. Using the Oval Cutting Templates, cut each stamped, chalked image into a small oval. Matte each onto a larger Black oval and then onto a larger Dark Pink oval.
5. Using the Oval Cutting Templates, cut each photograph into an oval shape. Matte each onto a larger Black oval and then onto a larger Dark Pink oval. Matte the Black tag and circle punch-outs from the kit onto Dark Pink cardstock adding bead, charm, and ribbon accents as desired.

6. Adhere three stamped, matted images down the border edges of each page. Add photos and bows as desired.
7. On a scrap piece of Black cardstock, using Alphabet Stickers spell out "Disney"; matte onto a scrap piece of Dark Pink cardstock. Do the same with the date sticker from the Alphabet Sticker sheet.
8. Adhere photos and matted embellishments and journaling as desired.
